For:	SOLUBLE FcγR FUSION PROTEINS AND METHODS OF USE THEREOF	Attorney Docket No.:	13783-105015US1

INTERVIEW SUMMARY

Sir:

In connection with the Office communication of February 5, 2010, please consider the following remarks.

It is believed that there is no fee required for this submission; however, in the event that a fee is required, or an overpayment has occurred, please charge the required fee, or credit any overpayment, to King & Spalding Deposit Account No. 50-3732, order number 13783-105015.

Remarks begin on page 2 of this paper.

REMARKS

Interview Summary

Applicants thank Examiner Szperka for the courtesies extended during Examiner's phone call of January 12, 2010, with Applicants' representative, Margaret Brivanlou. The Examiner and Applicants' representative discussed authorizing an Examiner's Amendment after Allowance. In particular, Applicants' representatives agreed to provide application Serial Numbers for applications disclosed as "U.S. application Ser. No. ____" in the specification; and authorized an Examiner's amendment accordingly.

In a follow-up communication, Applicants authorized replacing the blank in "U.S. application Ser. No. ____ filed on Jan. 9, 2004 having Attorney Docket No. 011183-004-999" with "10/754,922"; and replacing the blank in "U.S. application Ser. No. ____ filed on May 30, 2003" with "10/449,566", and further amending the filing date in this case to read "May 29, 2003", rather than May 30, 2003. No other changes were discussed and/or authorized.

CONCLUSION

If any issues remain in connection with this application, Applicants respectfully and gratefully invite the Examiner to telephone the undersigned to discuss same.

Respectfully submitted,

Date: February 17, 2010

40,922
